Subject: North Carolina Replacement MMIS Questions and Answers – Addendum 10 to RFP 30-DHHS-1228-08-R

Dear Mr. Anderson:

This letter provides answers to the questions posed by the Offerors in response to RFP 30-DHHS-1228-08-R, Part 2, Request for Cost Proposals. The attachments contain these answers as well as a complete, revised Request for Cost Proposals. An additional attachment provides information to help clarify how the Contractor Billable Units (CBU) totals found in Pricing Table H were created.

In responding to Offeror questions, the State has made additional changes to Section 30 of the RFP. These changes will be forwarded under separate cover.

The State has also attached a document highlighting the changes in the Revised Request for Cost Proposals. This document is for information only and does not constitute a part of the Contract.

Your Cost Proposal is due to me by 2:00 PM, September 23, 2008. All Cost Proposal Submission Requirements remain the same as those stated in the August 18, 2008, Request for Cost Proposals cover letter.

After reviewing the Cost Proposals, the State may choose to negotiate with one or both Offerors. Further information will be forthcoming.

For the purposes of order of precedence, this letter and its attachments are considered as an Addendum to RFP 30-DHHS-1228-08-R as identified in Section 30.3 of the RFP.

Thank you for your interest in the State of North Carolina.

Sincerely,

Susan W. Lewis
Assistant Director
