Offeror Questions and Answers

Instructions:

If the Offeror has questions regarding the updated requirements, it must complete the three columns in the table below and present the completed table to the State for a response per the instructions provided in the NC Replacement MMIS Updated Requirements Letter dated April 18, 2008. The Offeror shall assign a sequential number in the first column; enter the updated or new requirement number for which it has a question in the second column (*Updated/New Requirement Number*); and its related question in the third column (*Offeror's Question*). Additional rows may be added to the table by the Offeror as necessary to capture all questions.
