

“The first wealth is health.”
- Ralph Waldo Emerson

**Are you ready for the October 1, 2014
rollout of ICD-10? There are only...**

25 months

**remaining until
ICD-10 compliance is required.**

**ICD-10 compliance means that all Health Insurance Portability and
Accountability Act (HIPAA) covered entities are required to use ICD-10
diagnosis and procedure codes for dates of service on or after October 1, 2014.
ICD-9 diagnosis and procedure codes can no longer be used for health care
services provided on or after this date.**
